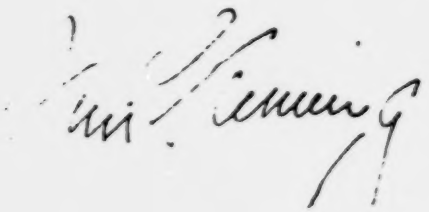
INTRODUCTION

Through its various funding programs, Multiculturalism Canada supports and assists a wide variety of community sponsored activities and projects which reflect and actively promote multiculturalism in Canada.

Assistance is awarded to individual authors, community organizations and publishing houses for the writing and/or publication of literary and historical works which reflect the many aspects of the Canadian multicultural experience as well as materials designed for the teaching of heritage languages, pedagogical materials relating to multiculturalism in education and academic studies on specific topics of relevance to Canadian ethnic studies.

It is my hope that this catalogue of publications supported by the Multiculturalism Directorate will make these materials more widely accessible to the Canadian public and by so doing will contribute to a deeper understanding and appreciation of Canada's multicultural nature.

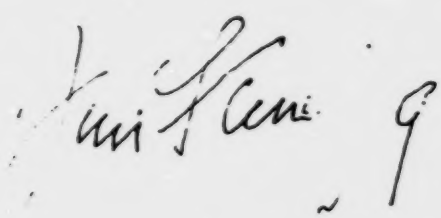


AVANT-PROPOS

Par le biais de ses programmes de subventions, Multiculturalisme Canada apporte un soutien financier à un grand nombre d'activités et de projets communautaires qui reflètent et encouragent le multiculturalisme au Canada.

La Direction du multiculturalisme accorde ainsi des subventions à des auteurs, à des organismes communautaires ainsi qu'à des maisons d'édition pour la rédaction et la publication d'ouvrages variés, notamment des ouvrages de caractère littéraire et historique reflétant les divers aspects de l'expérience multiculturelle au Canada, des manuels pour l'enseignement des langues ancestrales et pour l'enseignement multiculturel dans les écoles publiques et des documents qui ont trait aux études ethniques canadiennes.

J'espère qu'en favorisant la diffusion de cette documentation, ce catalogue contribuera à mieux faire connaître et apprécier le caractère multiculturel du Canada.



NOTES TO THE USER

This is the 1983 revised and updated version of the list entitled Publications Supported by the Multiculturalism Directorate, Government of Canada. New titles are marked by an asterisk (*).

All the publications listed here received financial assistance from the Multiculturalism Program of the Government of Canada in the years 1971-1983. In some cases the assistance was provided for research or writing, in other cases for translation from one of the non-official languages, and in other cases again, a grant was awarded towards the publishing costs of a manuscript.

Publications are listed alphabetically by title and numbered consecutively. Whenever possible, the source from which a publication may be obtained is included. In the case of books published by established publishing houses no address is provided, since such books can be obtained in book-stores. In the case of privately printed books every effort has been made to include a current address.

The titles are listed as they appear on the title page (not the cover), except in cases where we have not been able to obtain copies. If a book has two titles (usually one in an official and one in a third language) both titles are given. The main entry then has the complete title but the second title is also listed separately with a reference to the main entry.

Translations of non-official language titles are provided in brackets after the title. Official language titles are not translated into the other official language; a number of publications commissioned by the Department have been translated into the other official language and are then listed separately under both titles.

Whenever a title is not self-explanatory and we have been able to obtain copies of the publication, annotations are provided. In addition, there are indexes which should assist users in identifying titles by author or subject area.

Ottawa, May 1983

The publications listed within do not necessarily reflect the position or policy of the Government of Canada or the Minister of State for Multiculturalism.

REMARQUES AUX LECTEURS

Nous présentons ici la version 1983 du catalogue révisé et mis à jour des Publications subventionnées par la Direction du multiculturalisme, gouvernement du Canada. Les publications rajoutées sont notées par une *.

Toutes les publications figurant dans ce catalogue ont été subventionnées par la Direction du multiculturalisme du gouvernement du Canada entre les années 1971 et 1983. Dans certains cas, les aides accordées devaient servir à financer les travaux de recherche ou de rédaction et, dans d'autres, à payer les frais de la traduction à partir d'une langue autre que l'anglais et le français ou encore à couvrir le coût d'impression du manuscrit.

Les publications sont inscrites par ordre alphabétique et numérotées consécutivement. Dans la mesure du possible, nous nous sommes efforcés d'indiquer comment et où se procurer ces ouvrages. Lorsqu'il s'agit d'ouvrages publiés par des maisons d'édition bien connues, aucune adresse n'est fournie puisqu'on peut ordinairement les trouver en librairie. Lorsqu'il s'agit de livres imprimés à compte d'auteur, nous avons mentionné en regard l'adresse la plus récente.

Les titres sont donnés tels qu'ils figurent sur la page de titre (et non sur la couverture), sauf lorsqu'il nous a été impossible d'en obtenir des exemplaires. Si un livre porte deux titres (habituellement, l'un dans l'une des langues officielles et l'autre dans une troisième langue), ceux-ci sont tous les deux indiqués. L'inscription principale donne donc le titre au complet, mais le deuxième titre est également répertorié et renvoie au titre principal.

Lorsque le titre est transcrit dans une langue autre que le français ou l'anglais, la traduction est donnée entre parenthèses immédiatement après. Les titres originaux en anglais ou en français ne sont pas traduits dans l'autre langue officielle ; un certain nombre de publications commandées par le Ministère ont été traduites dans l'autre langue officielle et inscrites séparément sous les deux titres.

Lorsqu'un titre n'est pas suffisamment explicite et que nous avons réussi à obtenir un exemplaire de l'ouvrage correspondant, nous avons ajouté en regard une note explicative. En outre, pour faciliter la consultation, des index par auteur et par sujet ont été insérés dans le catalogue.
